

Monday League 2023/24

The Monday League will be played over 14 Mondays starting on 13 November and will consist of a variety of formats as detailed below. More details of the format will be provided on a weekly basis. Entry will be open from Tuesday to Sunday for the game on the Monday and you can enter each week with a team of your choice. The team can be of any combination and can change from one week to the next. There will be a maximum of 16 teams playing on each day with places allocated on a first come basis. Games will only take place on the scheduled day – rearranged games will not be permitted. Green fees will be 4€ per person per game and prizes will be awarded to the top three finishers.

Points will be awarded to all players in the team and the winner of the league will be the individual player who has scored the highest number of points. The games will be played in sets with 3 points awarded for winning a set, 1 point each for a tie and 2 points for winning the aggregate (1 point each for tied aggregate). In the event of a tie for positions at the end of the league final positions will be determined by shot difference over all the league matches played. Where shot difference is also tied total shots scored will be the determining factor.

The game format will be as follows:-

- Week 1 13 November Pairs
